#R053A-2015 Approve SRO Agreement

RESOLUTION #053A-2015

RESOLUTION AUTHORIZING INTERLOCAL SERVICES AGREEMENT
WITH HAMMONTON BOARD OF EDUCATION

WHEREAS, the Town of Hammonton is statutorily authorized to enter into Interlocal Services Agreements with State, County and Local Governments; and

NOW, THEREFORE BE IT RESOLVED by the Mayor and Common Council of the Town of Hammonton in the County of Atlantic and State of New Jersey as follows:

1. The Agreement which is annexed hereto and made a part hereof with Hammonton Board of Education is approved.
2. That the Mayor and Municipal Clerk are hereby authorized to execute said agreement.
3. That the adoption of this agreement by the Mayor and Council of the Town of Hammonton is contingent upon the adoption by the Hammonton Board of Education.

#R54-2015 Approve Self Examination Budget Resolution

#R054-2015
TOWN OF HAMMONTON
SELF-EXAMINATION OF BUDGET RESOLUTION
[as required by DCA]

WHEREAS, N.J.S.A. 40A:4-78b has authorized the Local Finance Board to adopt rules that permit municipalities in sound fiscal condition to assume the responsibility, normally granted to the Director of the Division of Local Government Services, of conducting the annual budget examination; and

WHEREAS, N.J.A.C. 5:30-7 was adopted by the Local Finance Board on February 11, 1997; and

WHEREAS, pursuant to N.J.A.C. 5:30-7.2 through 7.5, the Town of Hammonton has been declared eligible to participate in the program by the Division of Local government Services, and the Chief Financial officer has determined that the local government meets the necessary conditions to participate in the program for the 2015 budget year.

NOW THEREFORE BE IT RESOLVED by the governing body of the Town of Hammonton that in accordance with N.J.A.C. 5:30-7.6a & 7.6b and based upon the Chief Financial Officer's certification, the governing body has found the budget has met the following requirements:

1. That with reference to the following items, the amounts have been calculated pursuant to law and appropriated as such in the budget:
 - a. Payment of interest and debt redemption charges
 - b. Deferred charges and statutory expenditures
 - c. Cash deficit of preceding year
 - d. Reserve for uncollected taxes
 - e. Other reserves and non-disbursement items
 - f. Any inclusions of amounts required for school purposes.
2. That the provisions relating to limitation on increases of appropriations pursuant to N.J.S.A. 40A:4-45.2 and appropriations for exceptions to limits on appropriations found at N.J.S.A. 40A:4-45.3 et seq., are fully met (complies with CAP law).
3. That the budget is in such form, arrangement, and content as required by the Local Budget Law and N.J.A.C. 5:30-4 and 5:30-5.
4. That pursuant to the Local Budget Law:
 - a. All estimates of revenue are reasonable, accurate and correctly stated,
 - b. Items of appropriation are properly set forth,
 - c. In itemization, form, arrangement and content, the budget will permit the exercise of the comptroller function within the municipality.
5. The budget has been introduced and publicly advertised in accordance with the relevant provisions of the Local Budget Law, except that failure to meet the deadlines of N.J.S.A. 40A:4-5 shall not prevent such certification.
6. That all other applicable statutory requirements have been fulfilled.

BE IT FURTHER RESOLVED that a copy of this resolution will be forwarded to the Director of the Division of Local Government Services upon adoption.

#R055-2015 Introduce Municipal & Utility Budget

#R055-2015
TOWN OF HAMMONTON
RESOLUTION TO INTRODUCE THE 2015 MUNICIPAL BUDGET

BE IT RESOLVED, that the following statement of revenues and appropriations shall constitute the Local Municipal Budget for the year 2015;

BE IT FURTHER RESOLVED, that the said budget be published in the Hammonton Gazette, edition of April 29, 2015 as follows:

A hearing on the budget and tax resolution will be held at the Town Hall on the 18th day of May, 2015 at 7:00 o'clock p.m., at which time and place objections to said budget and tax resolution of the Town of Hammonton for the year 2015 may be presented by taxpayers or other interested persons.

Summary of General Section of Budget

Current Fund

Municipal Purposes within "CAPS"	\$9,263,881.75
Municipal Purposes excluded from "CAPS"	1,981,990.60
Reserve for Uncollected Taxes	1,004,224.14
Total General Appropriations	\$12,250,096.49
Less: Anticipated Revenues	3,775,958.54
Amount to be Raised by Taxation	<u>\$8,474,137.95</u>

Ordinance #007-2015

AN ORDINANCE ESTABLISHING A PERMIT PROCEDURE FOR CONSTRUCTION DUMPSTERS

WHEREAS, Mayor and Council have determined that the health, safety and welfare of the community require that, whenever possible, roll-off dumpsters and containers shall be placed on private property and not on municipal, county or state roadways; and

WHEREAS, Mayor and Council wish to establish a procedure governing placement of those roll-off dumpsters and containers which requires (a) the procurement of a permit; (b) payment of an application fee; and (c) in the case of those dumpsters placed upon roadways, a confirmation by the Chief of Police that such a placement does not unreasonably threaten public safety.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE TOWN OF HAMMONTON, COUNTY OF ATLANTIC, STATE OF NEW JERSEY that the following regulations, permit requirements and fees are established:

1. **Definitions.** "Construction Dumpster" – A roll-off waste container transported to and from the place of use by trucks or trailers and positioned at a construction site for the collection and eventual disposal of construction waste.

2. **Application/Permit Procedures.** Any property owner or private contractor intending to utilize a construction dumpster shall complete a Permit Application in the Construction Office. The permit shall require that the applicant certify that the location is compliant of the provisions of 3(a) and 3(b) below. It is the policy of the Town to require the placing of dumpsters on private property and to permit placement of same upon the public roadways if and only if placement on private property is not possible. Where placement is proposed for a public roadway, the application shall be provided to the Chief of Police who shall determine whether public safety shall be jeopardized by the proposed placement. If the Chief of Police deems the location appropriate, he/she shall indicate his/her approval on the application and return same to the Construction Office.

3. **Construction Dumpster Locations.**

a. **Single-family residential zones.** No construction dumpster shall be located within 10 feet of an abutting dwelling, unless the owner of the abutting dwelling agrees to such in writing which shall be submitted with the permit application. No dumpster shall be placed so that it blocks any public sidewalk. Only in those instances where it is physically impossible to locate the construction dumpster on the residential premises shall it be placed in the roadway and then only if all other pertinent sections of this Ordinance are complied with.

b. **Multifamily, commercial and industrial zones.** No construction dumpster shall be located within 10 feet of an abutting residential property unless the occupant of the abutting dwelling agrees to such in writing which shall be submitted with the permit application. No dumpster shall be placed so that it blocks any public sidewalk. Only in those instances where it is physically impossible to locate the construction dumpster on the residential premises shall it be placed in the roadway and then only if all other pertinent sections of this Ordinance are complied with.

c. **Location on public street.** If permitted, any construction dumpster placed on a public roadway, shall be positioned directly in front of or on the side of the property address utilizing the dumpster. Additionally, a dumpster placed in a roadway shall:

i. Be not more than 12 inches from the curb;

- ii. Not obstruct driveways of abutting properties;
 - iii. Not obstruct traffic or create a "blind spot" which would jeopardize the safety of pedestrians, bicyclists or other motorists;
 - iv. Be protected at both ends by a barricade, which after sunset shall have a flashing yellow light attached to it; and
 - v. Have a reflector or reflective area of not less than 36 square inches at each end.
- d. **No parking zones.** A dumpster shall not be placed on a public street if on-street parking for vehicles is not allowed at that location.
- e. **Time limitations.**
- i. **Single-family residential zones.** A construction dumpster and any replacement dumpster placed under this subsection and not in a public street may be placed for not more than a total of 30 days in any six-month period. An exception to this time limit shall be made for dumpsters associated with the construction of new residential dwellings which shall be permitted to remain upon the premises (as opposed to on any roadway) from the date of construction permit issuance to the date of a Certificate of Occupancy issuance. A construction dumpster and any replacement dumpster placed upon a public street may be placed for not more than a total of 14 days in any six-month period.
 - ii. **Multifamily and commercial.** A construction dumpster and any replacement dumpster placed under this subsection and not in a public street may remain in the site as long as required, but not to exceed a total of six months. A construction dumpster or any replacement dumpster placed upon a public street may be placed for not more than a total of 14 days in any six-month period.
 - iii. **Industrial.** A dumpster or any replacement dumpster placed under this subsection may remain on the site as long as needed, but not to exceed a total of 18 months.
- f. **Sanitation.** The following requirements shall be maintained regardless of the dumpster's location:
- i. The area around the dumpster shall be kept free of debris and litter;
 - ii. Any dumpster into which animal or vegetable waste or material has been dumped or deposited shall be removed or emptied within 24 hours;
 - iii. Any dumpster producing or causing noxious, foul or offensive odors shall be immediately removed or cleaned to eliminate the odor;
 - iv. A full dumpster shall be removed from the site and emptied within two days; and
 - v. The dumpster must be covered at night and when not in active use.
- g. **Usage.** A dumpster shall only be used to contain and remove debris and material generated at the location where the dumpster is placed.

- h. **Identification.** The name and telephone number of the owner of the dumpster and/or the company that is responsible for the dumpster shall be displayed in a weatherproof manner on the dumpster.
- i. **Permit required.** A permit shall be required for all dumpsters. The permit shall be obtained from the Construction Office after paying the required fee of **\$25**; however, if the dumpster is going to be placed in the roadway, a fee of **\$200.00** shall be required. The permit shall be displayed in a weatherproof manner on the dumpster. .
- j. **Insurance.** For any dumpster to be placed in a public roadway, the applicant shall provide proof of insurance in the amount of \$1,000,000.00 combined single limit which also names the Town as an additional insured.
- k. **Abatement.** Any dumpster not in compliance with this subsection is hereby declared to be a public nuisance and may be abated by the Municipality at the property owner's and/or responsible person's expense. Abatement shall, at the Municipality's option, include the removal and/or the emptying of the dumpster.
- l. **Violations; penalties.**
 - i. Violation of any provision of this subsection shall be punishable by a fine in an amount up to \$1,000.00 plus court costs which may be assessed against both the property owner and any other responsible party. Each day that the violation continues may be considered a separate offense.
 - ii. In addition, a person found guilty of a violation of this subsection shall be ordered to abate the problem and pay the cost incurred by the Town of Hammonton if the Town abated the problem.

BE IT FURTHER ORDAINED that, all ordinances or parts of ordinances inconsistent with this ordinance are hereby repealed to the extent of such inconsistency.

BE IT FURTHER ORDAINED that this ordinance shall take effect after final passage and publication according to law.

Hearing Ordinance #008-2015 Amend Chapter 247 Road Openings

COMMITTEE REPORTS

Administration - Councilman Gribbin

Business & Industry- Councilman Furgione

RESOLUTION # -2015

RESOLUTION AUTHORIZING "South Second Street Road Closure"

WHEREAS, Nicholas Smalarz of The One Trick Pony Production Team has requested permission to conduct a video production on South Second Street in Hammonton on May 18, 2015; and

WHEREAS, Nicholas Smalarz has also requested the closure of South Second Street during the production;

NOW, THEREFORE BE IT RESOLVED BY THE MAYOR AND COMMON COUNCIL OF THE TOWN OF HAMMONTON, COUNTY OF ATLANTIC AND STATE OF NEW JERSEY, approval is granted for the closure of South Second Street, between Bellevue and Vine, during the hours of 7:00 a.m. to 7:00 p.m. on May 18, 2015 (rain date May 21st); and

BE IT FURTHER RESOLVED, approval is granted for "no parking" at three locations along Bellevue Avenue on May 19, 2015; and

BE IT FURTHER RESOLVED that this approval is contingent upon the necessary certificate of insurance being filed with the Town Clerk.

Education - Councilman Torrissi

Quality of Life - Councilman Pullia

Public Works & Transportation- Councilman Rodio

Law & Order- Mayor DiDonato

Water & Sewer – Councilman Wuillermin

ENGINEER REPORT

SEWER AND WATER ACTION ITEMS:

1. **Well #1 / Well #3 – Volatile Organic Compounds (VOC's) (ARH# 11-30155.03):**
The contractor continues work at the site. The following work has been completed:

- The mason has completed the building wall construction.
- The carpenter has completed the framing, roof trusses and roof construction.
- The electrical contractor will follow to complete the electrical and control instrumentation tasks.

We have prepared the monthly progress report to the NJDEP as required by the ACO. We have noted within this report and past reports of the possible need for a time extension request due to the delay in the delivery of the two (2) new filter units and inability of the contractor to continue with outside block and mortar work due to cold weather. Within the monthly report for April, we have requested the following:

- Time extension request related to substantial completion of building construction and initial well restart for testing purposes from April 15, 2015 to May 22, 2015.
- For now, we are not requesting an extension of time for the final start-up date of June 1, 2015, however, we have notified the NJDEP that we will have a better idea related to completion by the middle of next month.
- It is anticipated that Wells #1 and #3 will be on-line and ready for the 2016 summer water demand.

We will keep Council informed of further progress.

As requested, we have obtained a cost from the general contractor, TKT to complete the repair work to the old interior brick walls within the new filter room area. We are waiting for the final cost from the contractor, but he is estimating that figure to be about \$20,000.00. We did send a notice to the NJDEP Spillfund to inquire whether this work would be eligible for funding reimbursement. If the cost is not reimbursable by Spillfund, other options for repair must be considered. The Spillfund should be able to provide a response on reimbursement eligibility quickly. We are hoping to have an answer by Monday night.

Action Requested:

Approval of the estimate for filter unit interior wall repair for a figure not to exceed \$20,000.00 subject to approval of the work and cost by the NJDEP Spillfund Program.

PUBLIC WORKS ACTION ITEMS:

2. **Weymouth Road Drainage (ARH #11-06007):**

At the December 15, 2014 Council meeting, Council acted to extend the inter-local services agreement with Atlantic County related to the Weymouth Road Drainage project. A letter was directed to the County by the Mayor related to that request. The County has agreed to the extension and has sent a renewal contract (copy enclosed) for formal action by the Town.

Action Requested:

Approval of renewal contract provided by the County related to the request for time extension until December 31, 2015 for the Weymouth Road Drainage project. Also, authorize the Mayor to sign the three (3) renewal contract documents provided and return same to the County Law Department.

PUBLIC WORKS INFORMATION ITEMS:

3. Roadway Opening Ordinance Revisions (ARH #11-01091):

The Solicitor has made the modifications to the Roadway Opening Ordinance as discussed with the PWTC. The second reading and public hearing for same is scheduled for this Council meeting. Once adopted, a copy of same should be sent to the applicable utility companies that complete work in the Town, so they could become familiar with the new ordinance standards.

4. First Road/Chew Road Drainage Improvements (ARH #11-60207):

As approved by Council, Root 24 was notified of the award to complete the Root-X treatment, cleaning and video of the existing inlets, pipe and leaching pits that extend along the property line between Block 1103, Lots 3 & 4. Scott Rivera has been in contact with the contractor to complete the Root-X treatment. The Solicitor is preparing the easement request for Block 1103, Lot 4.

5. Lake Lowering Permit Extension Request (ARH #11-90016):

The request for a time extension was granted by NJDEP, Division of Fish and Wildlife. The lake level is back to its normal elevation.

6. Hammonton Bike Path Extension (ARH #2014.0309): No Status Change

The NJDOT has allotted \$230,000.00 to the Town to complete a bike path extension from the NJ Transit Station to Hammonton Lake Park. The Mayor and Town Council has received the NJDOT notice of grant approval to have the project under contract for construction within 18 months or by December 2015. **Any appropriating funding ordinance to be considered by Council within this year's budget** must include the following items:

- ~ Total estimated project construction costs.
- ~ Construction survey, design and permitting.
- ~ Construction management.
- ~ Police protection and miscellaneous.
- ~ Administrative, legal, bond counsel, etc.

Possible bond amount \$275,000.00 to \$300,000.00.

7. Lakeview Drive and White Horse Pike (ARH #11-60202.03):

We prepared the paperwork for final project reimbursement from the NJDOT. The Town will be eligible for reimbursement of certain portions of the construction inspection costs since all the Discretionary Aid funds totaling \$247,000.00 were not used as a result of the final project construction costs. We are finalizing our discussions with the NJDOT related to their latest site inspection letter on handicapped ramp construction and expect a resolution shortly.

SEWER AND WATER INFORMATION ITEMS:

8. AT&T Equipment Relocation Lincoln Avenue (ARH #11-30156):

The Solicitor is finalizing the lease agreement between AT&T and the Town to be consistent with other Town leases. This agreement will also include the location of AT&T Communications equipment to the front portion of the Water Department Building.

9. Pratt, Packard, Grape & Second Street Utility Replacement (ARH #11-40046):

The project deadline is April 15, 2015. We received an updated schedule from the Contractor which takes construction to the end of May. We have informed the Contractor this is unacceptable and requested they re-evaluate the schedule and provide an revised accelerated schedule. We will also be meeting with the PWTC and contractor to further discuss this matter.

Packard Street, Grape Street, & Second Street

Utilities – All utilities have been installed on this street.

Concrete – All concrete work has been installed along this street.

Paving – Base course paving has been completed. The Town had cores taken of the existing base course and we are awaiting the official results. Once these are received we will finalize all areas that require base repairs.

As previously reported, the Contractor has submitted claims related to the work completed along Packard, Grape and Second Streets. Our office reviewed the submitted claims and provided the Town a reduced list of claims for their review/comment. We are also working with the Contractor to finalize the quantities for this portion of the project.

Pratt Street

Utilities

Sanitary Sewer – All sanitary sewer installations have been completed.

Water – All water utilities (including services) have been installed from the limit just passed Mt. Carmel (Tilton Street) to Third Street. Water main continues to be installed between Third and Egg Harbor Road.

Storm Sewer – Storm Sewer installation is ongoing.

Concrete –The Contractor is currently working on concrete between the limit just passed Mt. Carmel (Tilton Street) to Third Street.

Paving – Still needs to be completed.

10. Valley Avenue Utility Replacement (ARH #11-30159):

Plans & specification were previously submitted to all permit agencies as well as NJEIT. We are currently awaiting comments from the various permitting agencies and NJEIT. The work for the Ground Penetrating Survey (GPS) for the sanitary sewer pipe has been postponed until June to allow for better weather and ground water conditions.

As authorized by Council, we modified the specifications for pipe cleaning and video for Valley Avenue and requested price quotes from three (3) different contractors. We received two (2) price quotes on April 2, 2015. The quote summary is as follows:

Root 24 Inc.	\$18,735.50
Video Pipe Services	\$42,315.00

We received a letter dated 4/6/15 from the President of Root 24 indicating they are withdrawing their price quote due to an error in their pricing. We forwarded the information to the Town Solicitor for review to provide a recommendation as to how to proceed. We hope to have a suggestion for action at Monday evenings meeting. The project scope and funding may also need to be reviewed in order to make a determination on award or rebid/requite options.

11. Utility Data Integration & Analysis (ARH #15-0197):

As authorized by Council, ARH/Civil Solutions has started the work related to sewer and water accounts. We are waiting for the latest tax data information from the Tax Assessor and Vital, the vendor for the tax office. Once that information is received, we could continue with the work.

12. Metro PCS Equipment/Antennae Replacement Lincoln Avenue (ARH #11-30162):

As recommended last meeting, we have contacted Metro PCS/T-Mobile related to modifying the location of their electrical panel/meter box to the side wall of the Water Department building. We are waiting for the revised information from T-Mobile to ensure compliance with the approval conditions. The Town Solicitor will also be discussing possible lease agreement modifications with T-Mobile if allowable under the present agreement.

13. White Horse Pike/Cedar Branch Stream Water Main Replacement (ARH #11-30161):

The legal descriptions were forwarded to the Solicitor for preparation of the required deeds to be sent to the affected property owner of Block 4601, Lot 29. Once the deed of easement is executed we could finalize the design plans and specifications for the receipt of price quotes. We will update Council of further progress.

14. 2015 Fiscal Year, NJEIFP Projects Underground Drip Irrigation (ARH #11-01088):

As required by the Comprehensive Wastewater Management Plan (CWMP) agreement, we will provided the Pinelands Commission with the monthly update on the flow and effluent disbursement data along with the construction schedule for the next phase of drip irrigation construction once we get comments back from the MUD Superintendent and Business Administrator.

15. South Jersey Gas Site Remediation Lincoln Avenue, Chemical Building Relocation (ARH #11-30155, 14.0337, 14.0892):

As authorized by Council and approved by SJ Gas, ARH has completed the design work related to the relocation of the components of the Chemical Feed Building at the Lincoln Avenue site into the renovated Main Water Department building. A submission was made to NJDEP for review and approval in late February.

Once the design is approved, we will have an itemized construction cost estimate for Council's consideration, for inclusion in the agreement with SJ Gas. Once the agreement is executed, we will seek approval from Council to proceed with advertising and receipt of bids for the project.

We have met with SJ Gas, their consultants, and Town officials to discuss the tentative costs for these various site, building improvements, building replacement, site remediation inspection, etc. and how funding for same will be established for same. SJ Gas has requested an additional breakdown of project soft costs, so that a final reimbursement figure could be established for the project. We have supplied that information to SJ Gas which is presently under their review. We will also have a revised cost estimate for their consideration associated with the review, inspection and reporting work required during the site remediation work. This estimate will most likely be part of a separate agreement between the Town and SJ Gas. The site remediation work is scheduled to occur early in 2016. We have recently received comments from Joseph Foglio of GZA, SJ Gas Company's Design Consultant related to our plan and specification review letter of 2/23/15. We will go over those comments with the PWTC and MUD Superintendent.

The Town Solicitor has been in contact with the legal representatives from SJ Gas to establish a meeting date to discuss the various project related items and costs that must be included within the agreement between the two entities.

16. Boyer Avenue Pinelands Compliance, Long Term Wastewater Management Plan I&I Study (ARH #11-50142)(ARH Proposals 0504 & 0594):

We have been working with Jerry Barberio and the MUD Superintendent to complete the field locations and plot an as-built plan for the Overland area of Drip Irrigation. There is some additional on-site the locations that are required. Once the locations are obtained and the base plan is prepared, we will provide a copy to the MUD Superintendent and Business Administrator for review prior to finalizing the document for NJDEP and Pinelands submission.

17. Verizon Antenna, 4th Street Water Tower (ARH #11-30155):

The Solicitor has been in discussions with representatives from Verizon related to completing a lease agreement for installation of communications antenna and emergency generator at the 4th Street Water Tower site as discussed with the PWTC and MUD Superintendent.

#R056-2015 Approve Application Recycling Tonnage Grant

RESOLUTION # 056-2015

RESOLUTION NAMING SCOTT RIVERA,
CERTIFIED RECYCLING PROFESSIONAL,
AND AUTHORIZING GRANT APPLICATION
FOR **RECYCLING TONNAGE GRANT FOR YEAR 2014**

- WHEREAS,* The Mandatory Source Separation and Recycling Act, P.L. 1987, c.102, has established a recycling fund from which tonnage grant may be made to municipalities in order to encourage local source separation and recycling programs; and
- WHEREAS,* It is the intent and the spirit of the Mandatory Source Separation and Recycling Act to use the tonnage grants to develop new municipal recycling programs and to continue and to expand existing programs; and
- WHEREAS,* The New Jersey Department of Environmental Protection has promulgated recycling regulations to implement the Mandatory Source Separation and Recycling Act; and
- WHEREAS,* The recycling regulations impose on municipalities certain requirements as a condition for applying for tonnage grants, including but not limited to, making and keeping accurate, verifiable records of materials collected and claimed by the municipality; and
- WHEREAS,* A resolution authorizing this municipality to apply for such tonnage grants will memorialize the commitment of the municipality to recycling and to indicate the assent of the Town of Hammonton to the efforts undertaken by the municipality and the requirements contained in the Recycling Act and recycling regulations; and
- WHEREAS,* Scott Rivera, Certified Recycling Professional, is herein designated as the individual authorized to ensure that the application is properly completed and timely filed.

NOW, THEREFORE BE IT RESOLVED by the Mayor and Common Council of the Town of Hammonton in the County of Atlantic and State of New Jersey that the Town of Hammonton hereby endorses this submission of the Recycling Tonnage Grant Application to the New Jersey Department of Environmental Protection and therefore designates Scott Rivera, Certified Recycling Professional, to ensure that the application is properly filed; and

BE IT FURTHER RESOLVED that the monies received from the Recycling Tonnage Grant be deposited in a dedicated Recycling Trust Fund to be used solely for the purpose of recycling; and

BE IT FUTHER RESOLVED that the Mayor, Town Clerk and Scott Rivera, Certified Recycling Professional, are hereby authorized to execute any and all documents in furtherance of this Resolution.

#R057-2015 Approve Tax Resolution

#R057-2015

WHEREAS, Rosemarie Jacobs, Tax Collector, has approved and made amendments to utility and/or tax accounts as follows:
