   Pinelands approved the relocation of the interceptor trench discharge as an emergency measure per a letter dated June 10, 2019 from Executive Director Nancy Wittenberg to Brian Howell. A Pinelands Permit application will be required after-the-fact; the letter notes that “Hammonton is proceeding at its own risk regarding the installation of the proposed groundwater discharge pipe prior to Commission approval of the application”.

   Pinelands has since requested an application form and fee payment in advance of a full permit application submittal. ARH has completed the form and calculated the required payment ($250.00). This is being processed through Brian Howell.

   ARH is also providing an updated proposal to perform the design and fulfill the remaining submittal requirements for the relocated trench discharge.

   Action Requested:
   Provide necessary signature and payment in the amount of $250.00 for Pinelands Permit application for Brian Howell, and approve our proposal in the amount of $11,000.00 in order to complete the remaining tasks required to design and obtain approvals for the interceptor trench discharge relocation.
