Please state the exact location on the property that the dumpster is to be placed. Please note that placement in streets may only be considered for rare circumstances and will require additional review by the Hammonton Police Department. **Location:**

IMPORTANT

I agree that placement shall be compliant with Ordinance #007-2015 and subject to inspections throughout the placement process.

1. No construction dumpster or pod may be placed within **ten feet** of the property line of an adjacent dwelling unless the property owner provides written consent.
2. The contact information for the permit holder and responsible party must be displayed on the dumpster in a manner that is resistant to weather conditions.
3. A full dumpster must be removed and emptied within a two-day timeframe.
4. No permit will be granted until proof of insurance is provided.
5. Applicant acknowledges that Ordinance #007-2015 has been reviewed and agrees to adhere to all stipulated requirements.
6. Noncompliance will incur a penalty of up to \$1,000 with each day of violation considered a separate offense.
7. The applicant confirms all statements provided are accurate, acknowledges the requirements set forth by the Town Ordinance, and agrees to comply with them.
